Business Description & Market Information

- Revenant Esports aims to be the umbrella organization for all stakeholders of the esports ecosystem.
- With its raison d'être as enriching the value of esports and its experience for players, brands, content creators and the community at large, the organization strives to onboard, nurture and partner with progressive talent to equip them to compete with the best global esports athletes.
- Revenant's athletes operate from a state-of-the-art Bootcamp at Kharghar, equipped with best-in-class infrastructure.
- The company has 5 active rosters across numerous esports making it the largest esports company in India based on roster count.
- The organization also provides both endemic and non-endemic brands an opportunity to leverage the power of esports for advertising and brand building.

Additional Information

The company projects a revenue of over US\$ 4 Mn in FY 2022-23, with a positive EBITDA projection, in less than 18 months of operations.
